

# District Department of Transportation School Transit Subsidy Program Private School Notice

Starting on Monday, August 12th, private school students who live in DC can ride Metrobus routes (within the District of Columbia) for free between the hours of **5:30AM – 9:00AM** and **2PM – 8PM** Monday through Friday!

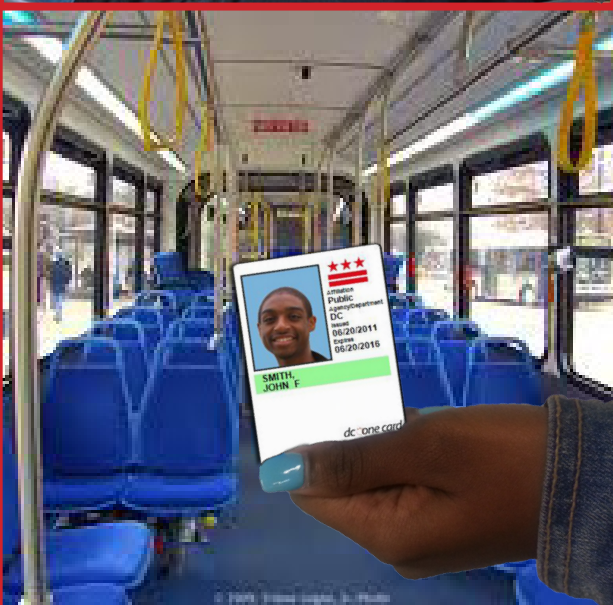

Students can only take advantage of the program once their schools have opened for the 2013-2014 school year.

Just FLASH your “light green” DDOT Student Travel Card or your student DC One Card to the Metrobus bus driver.

***It's that simple!***

You will still have to buy a \$30 monthly pass or 10-trip rail pass to use the train during the school year. Students can still buy a 10-trip bus pass for use after 8:00PM.

Use the DDOT Student Travel Card until the DC One Card is available at your school. Apply for the travel card through your school office.
