WASHINGTON, DC BICYCLE MAP

A MESSAGE FROM THE MAYOR:

Dear Friends,
 Bicycling is a great way to get around the District of Columbia. It can save time and money, keep you in shape, and help reduce congestion and pollution.

We are working hard to make Washington one of the most bike-friendly cities in the country. We have more than 100 miles of bike lanes and trails; Capital Bikeshare is the country's largest bikesharing system; we are currently building and improving major trails along the Anacostia River, Oxon Run, Rock Creek and the Metropolitan Branch corridor;

we install hundreds of bicycle parking racks throughout District every year; and we teach bicycle safety to thousands of adults and children.

I strongly encourage everyone to please ride safely and follow the rules of the road. Let us know if you have suggestions for how to make our city even more bike-friendly.
