# DBE Project Participation

DDOT has a strong DBE program

Current and on-going contracts to date:

- \$622 million worth of active contracts
- \$93 million (15%) awarded to DBEs

Even stronger results anticipated for 2013

- Increased volume of work - Banner year for DDOT
  - Major project moving into design and construction
  - Forecast shows a growing list of project opportunities
  - Projects cover a range of required services
  - Requires DBE support project management services
- 

# Anticipated Projects FY 2013 - 2014
