

Fatal Crash Follow-up

S. Dakota Ave and Perry NE

MPD description of crash:

Preliminary investigation revealed that at approximately 1:16 pm, the victim was traveling in the northwest direction in the 3800 block of South Dakota Avenue, Northeast. It appears the victim lost control of the scooter [motor driven cycle], struck the right curb and was then ejected from the vehicle. DC Fire and Emergency Medical Services responded to the scene and transported the victim to a local hospital, where he was pronounced dead.

Fatalities	0
Injuries	0
Pedestrians involved	0
Bicyclists involved	0
Motorcyclists involved	0

Site visit notes

- Agencies present: DDOT and MPD
- Street Design Context: Signalized intersection

Factors discussed on site visit:

- No witnesses saw the crash; likely a single vehicle crash
- Off-set intersection, with Perry and Quincy

Next steps

Short-term DDOT action items:

- Review location for pavement marking improvements, including moving the 'stop bar' closer to the intersection.

Further DDOT evaluations:

- Evaluate location for changes to the placement and number of traffic signals because of changes to the traffic flow at the intersection (Perry is now one-way moving away from South Dakota)
