**Pedestrian**

Narrative

**USPP statement via news source: An elderly man and woman were hit and killed by a vehicle at Hains Point on Saturday, according to U.S. Park Police (USPP). USPP officers responded to a report of a pedestrian struck just after 10:30 a.m. Police say two people with serious injuries were brought to the hospital, where they were pronounced dead. The striking vehicle was a pickup truck.**

Site Visit(s)

**Completed**

Factors/context discussed at site visit(s)

**Lack of dedicated space for pedestrians; lack of DC control/influence over NPS design of park and roadway**

Actions Planned/Completed

**Reach out to NPS for follow-ups**

Actions Under Consideration

**None**
