Pedestrian

Narrative

USPP via news source: An elderly man and woman were hit and killed by a vehicle at Hains Point on Saturday, according to U.S. Park Police (USPP). USPP officers responded to a report of a pedestrian struck just after 10:30 a.m. Police say two people with serious injuries were brought to the hospital, where they were pronounced dead. The striking vehicle was a pickup truck.

Site Visit(s)

Completed

Factors/context discussed at site visit(s)

Lack of dedicated space for pedestrians; lack of DC control/influence over NPS design of park and roadway

Actions Planned/Completed

Reach out to NPS to discuss roadway.

Actions Under Consideration

None.
