Death Case Year	22
Death Case Number	01
Death Type	Pedestrian
Ward	4

Preliminary investigation revealed that at approximately 1:39 pm, a Ford Focus was travelling northbound in the 5300 block of South Dakota Avenue, Northeast. At the same time, a pedestrian was crossing the street from south to north, in a marked crosswalk. The operator of the Ford Focus struck the victim, then immediately came to a stop and remained on scene. DC Fire and Emergency Medical Services responded to the scene and transported the victim to an area hospital for treatment of life-threatening injuries.

## Site visit(s)

Status	Completed
Factors/context discussed	Intersection of Ingraham and South Dakota Ave NE currently has a pedestrian-activated traffic signal (also known as a HAWK signal); plan is to add a full traffic signal as part of larger development in the area.

## Follow-up actions

### Actions planned/completed

Short term: Assess the operations of the HAWK signal, including the hardware and the timing; Long-term: install full traffic signal.

### Actions under consideration

See above, under factors/context.
