Detectives with the Metropolitan Police Department's Major Crash Investigations Unit are investigating a traffic fatality resulting from a traffic crash that occurred on Thursday, March 17, 2022, at the intersection of New York and New Jersey Avenues, Northwest.

## Site visit(s)

Status	Completed
Factors/context discussed	Crash under active investigation. MPD still reconstructing the crash dynamics. DDOT has a red light camera for westbound New York Ave.

---

## Follow-up actions

### Actions planned/completed

The protected bicycle lanes on New Jersey Ave (which cross this intersection) will be extended from N St (just north of this intersection) to Rhode Island Ave, including narrowing NJ Ave to one vehicle lane in each direction in that corridor. The changes are intended to calm traffic and improve multimodal safety along the corridor.

### Actions under consideration

Red light camera automated enforcement for New Jersey Ave.
