

Green Alley Tips

**Help us maintain our green alleys
and keep our waterways clean by following these tips:**

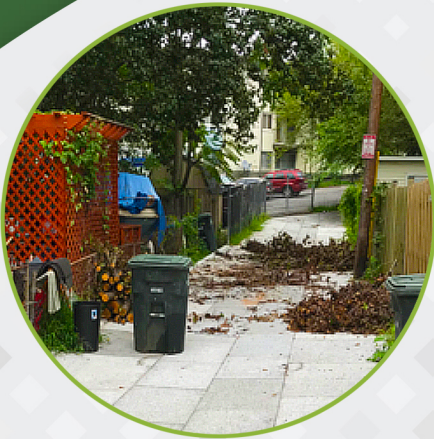

Sweep and remove your leaves, dirt, and debris off the alley pavement

Keep mulch and soil on your property and away from the alley pavement

Green Alley Tips

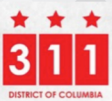

Keep your trash receptacle and waste on your property and off the alley pavement

Stockpile and store materials on your property and away from the alley

Avoid dumping liquids and littering on the alley pavement

Contact DDOT to report any problem with your alley by calling 311
