

**Razor Affordability Program
Washington, D.C.**

As part of Razor's efforts to expand accessibility to new transportation options in the District, we currently offer an affordability program that provides unlimited free trips under 30 minutes. To be eligible for Razor's affordability program, a rider must demonstrate that he/she has an income level at or below 200% of the federal poverty guidelines, or participates in or qualifies for any federal or local assistance program.

Riders who want to apply for the program can fill out an enrollment form and submit supporting documentation at <https://www.razor.com/share/affordability-program/>.

Razor also offers a cash-based program to any interested rider with or without a smartphone. By offering scooters from our central distribution facility, located at 2405 Douglas Street NE, Razor allows riders to pay in cash to rent a scooter for any fixed period of time. There are no eligibility requirements to utilize Razor's cash payment option, so any rider may exercise this option by visiting the above address. Upon arrival, riders submit upfront payment under our normal riding fares to rent a scooter for any time period of their choosing. Riders may then end their ride at any approved serviced area within the District.
