OFFICE OF THE
MAYOR

VINCENT C. GRAY
MAYOR

March 28, 2013

The Honorable Phil Mendelson
Council of the District of Columbia
1350 Pennsylvania Avenue, NW
Washington, DC 20004

Dear Chairman Mendelson:

On behalf of the residents of the District of Columbia, I submit to you the District of Columbia Fiscal Year 2014 Budget and Financial Plan, entitled "Investing for Tomorrow."

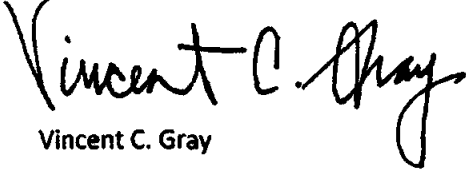

This proposal is the District of Columbia's eighteenth consecutive balanced budget. As you know, the District's economy is growing rapidly, with more than 28,000 private sector jobs created over the past two years and an unemployment rate that has fallen nearly three percentage points. To support our growing population and to continue building a more prosperous, equitable, safe and sustainable city for all, my proposed budget makes important investments in three key strategies: (1) growing and diversifying the District's economy; (2) educating children and preparing the workforce for the new economy; and (3) improving the quality of life for all residents. As the title of the budget suggests, investing in these strategies will build a better tomorrow for all District residents.

The document also includes hard choices that were required to build a fiscally sound budget and financial plan. We have worked hard to strike a balance between cost savings, program realignments, and new revenues. The result is that we are able to make critical investments while maintaining our commitment to fiscal discipline. Highlights of these critical investments include:

- \$100 million in new funding for affordable housing initiatives between Fiscal Years 2013 and 2014;
- \$91.9 million for pay increases for District employees, including first responders and teachers;
- \$15 million for the new One City Fund, a District-wide grant program;
- \$10 million to fund expanded library hours, books and materials;
- \$150 million for library facilities;
- \$1.7 billion for school modernization;
- \$622 million to replace the South Capitol corridor's Frederick Douglass Bridge;
- \$400 million to expand our streetcar system; and
- \$118 million to improve parks and recreational facilities.

We are proud that this budget proposal is balanced and structurally sound. But perhaps most importantly, we are pleased to be making the critical investments needed to ensure the District's tomorrow is even brighter than today. I look forward to the Council's review of this proposal, and to working together to finalize and execute our budget for Fiscal Year 2014.

Sincerely,

14 patient revenue as derived from each hospital's as filed Medicare cost report ending between July 1,
15 2009 and June 30, 2010. The hospital provider fee is applied at a uniform rate necessary to generate
16 the following:

17 (1) An amount equal to the non-Federal share of the total available spending room
18 under the Medicaid upper payment limit for private hospitals applicable to District fiscal years 2013
19 and 2014 consistent with the federal approval of the authorizing Medicaid State Plan amendment;
20 plus,

21 (2) An amount equal to the lesser of the non-Federal share of the total available

2 adjusted by the District in accordance with the federally approved State plan; plus,

3 (3) An amount equal to the Department's administrative expenses as described in
4 section 3(d)(2) of this act.

5 Sec. 585. Applicability.

6 (a) The fee imposed by section 4 shall not be due and payable until such time that the
7 federal Centers for Medicare and Medicaid Services approves the Medicaid State Plan
8 amendment authorizing the Medicaid payments described in section 6 of this Article.

9 (b) The fee imposed by Section 4 shall cease to be imposed, and any moneys remaining
10 in the Fund shall be refunded to hospital providers in proportion to the amounts paid by them, if:

11 (1) The Department makes changes in its rules that reduce the hospital
12 inpatient or outpatient Medicaid payment rates, including adjustment payment rates, in effect
13 on October 1, 2012; or,

14 (2) The payments to hospitals required under section 6 of this Article are modified
15 in any way other than to secure federal approval of such payments as described in section 6 of
16 this act or are not eligible for federal matching funds under Title XIX of the Social Security Act.

17 (c) The fee imposed by section 4 shall not take effect or shall cease to be imposed if such
18 fee is determined to be an impermissible tax under Title XIX of the Social Security Act.

19 (d) Should the fee imposed by section 4 not take effect or cease to be imposed moneys in
20 the Fund derived from the fee imposed prior thereto shall be disbursed in accordance with
21 section 6 of this act to the extent federal matching is available. If federal matching is not
22 available due to a determination by the Centers for Medicare and Medicaid Services that the

1 provider fee is impermissible, any remaining moneys shall be refunded to hospital providers in
2 proportion to the amounts paid by them.

3 Sec. 586. Medicaid Outpatient Hospital Access Payments.

4 (a) For visits and services beginning May 1, 2013, quarterly Medicaid outpatient hospital
5 access payments shall be made to each private hospital. Each payment will be equal
6 to the hospital's DFY 2011 outpatient Medicaid payments divided by the total private
7 hospital DFY 2011 outpatient Medicaid payments multiplied by one quarter of the
8 total outpatient private hospital access payment pool minus \$250,000. The total
9 outpatient private hospital access payment pool is equal to the total available
10 spending room under the private hospital outpatient Medicaid upper payment limit for
11 District fiscal years 2013 and 2014 respectively.

12 (b) The remaining \$250,000 shall be distributed as an adjustment to the quarterly access
13 payments for all private children's hospitals with less than 150 beds and distributed
14 based on the hospital's DFY 2011 outpatient Medicaid payments relative to the total
15 qualifying hospitals' DFY 2011 outpatient Medicaid payments.

16 (c) Any private hospital that is also a disproportionate share hospital will receive no more than
17 the available room under their District-adjusted hospital-specific DSH limit. Any Medicaid outpatient
18 hospital access payments that would otherwise exceed a private disproportionate share hospital's
19 adjusted DSH limit shall be distributed to the remaining private hospitals consistent with each private
20 hospital's relative share of DFY 2011 Medicaid payments.

21 (d) For visits and services beginning May 1, 2013, outpatient hospital access payments shall
22 be made to the United Medical Center. Each payment will be equal to one quarter of the total
23 outpatient public hospital access payment pool. The total outpatient public hospital access payment

1 pool is equal to the lesser of the total available spending room under the District operated hospital
2 outpatient Medicaid upper payment limit for District fiscal years 2013 and 2014 respectively and the
3 United Medical Center District-adjusted Medicaid disproportionate share hospital limit.

4 (e) The quarterly Medicaid outpatient hospital access payments will be made within 15
5 business days of the end of each DFY quarter for the Medicaid visits and services rendered during that
6 quarter.

7 (f) No payments shall be made under this section until such time that the federal Centers for
8 Medicare and Medicaid Services approves the Medicaid State Plan amendment authorizing the
9 Medicaid payments described in this act.

10 (g) The Medicaid payment methodologies authorized under this act shall not be altered in any
11 way unless such alteration is necessary to gain federal approval from the Centers for Medicare and
12 Medicaid Services.

13 Sec. 587. Quarterly Notice and Collection.

14 (a) The fee imposed under Section 4 shall be calculated, due, and payable on a quarterly basis.

15 (b) The fee will be due and payable by the 15th of the last month of each DFY quarter.

16 (c) However, the fee imposed by Section 4 shall not be due and payable until:

17 (1) The District issues the written notice that the payment methodologies to hospitals
18 required under Section 6 have been approved by the federal Centers for Medicare and Medicaid
19 Services;

20 (2) The District issues written notice to each hospital informing the hospital of the fee
21 rate, the hospital's gross patient revenue subject to the fee, and the fee amount owed by the hospital on
22 a quarterly basis; and,

1 (3) The initial written notice from the District shall include all fee amounts owed
2 beginning with the period May 1, 2013 in order to ensure all applicable fee obligations have been
3 identified.

4 (d) When a hospital fails to pay the full amount of its fee by the date required by this Act, the
5 unpaid balance shall accrue interest at the rate of 1.5% per month or any fraction thereof, which shall
6 be added to the unpaid balance. The chief Financial Officer may arrange a payment plan for the
7 amount of the fee and interest in arrears.

8 (e) The payment by the hospital of the fee created in this act shall be reported as an allowable
9 cost for purposes of Medicaid hospital reimbursement.

10 Sec. 588. Multi-hospital systems, closure, merger and new hospitals.

11 (a) If a hospital system conducts, operates, or maintains more than one hospital licensed by the
12 Department of Health, the provider shall pay the fee for each hospital separately.

13 (b) Notwithstanding any other provision in this act, in the case of a person who ceases to
14 conduct, operate, or maintain a hospital in respect of which the person is subject to the fee under this
15 act as a hospital provider, the fee for the DFY in which the cessation occurs shall be adjusted by
16 multiplying the fee computed under Section 4 by a fraction, the numerator of which is the number
17 of days in the year during which the provider conducts, operates, or maintains the hospital and the
18 denominator of which is 365. Immediately upon ceasing to conduct, operate, or maintain a hospital,
19 the person shall pay the fee for the year as so adjusted (to the extent not previously paid).

20 (c) Notwithstanding any other provision in this act, a provider who commences conducting,
21 operating, or maintaining a hospital, upon notice by the Department, shall pay the fee computed under
22 section 4 and section 8(a) in installments on the due dates stated in the notice and on the regular
23 installment due dates for the DFY occurring after the due dates of the initial notice.

21 “(b) The income of each member of the combined group shall be determined as
22 follows:

1 “(1) For any member incorporated in the United States, or included in a consolidated

1 determine its income on the basis of the consolidated profit and loss statement that includes the
2 member and that is prepared for filing with the Securities and Exchange Commission by related
3 corporations.

4 “(B) If the member is not required to file with the Securities and Exchange
5 Commission, the Chief Financial Officer may allow the use of the consolidated profit and loss
6 statement prepared for reporting to shareholders and subject to review by an independent auditor.

7 “(C) If the statements described in subparagraphs (A) or (B) of this paragraph
8 do not reasonably approximate income as determined under this chapter, the Chief Financial Officer
9 may accept those statements with appropriate adjustments to approximate that income.

10 “(4)(A) All dividends paid by one to another of the members of the combined
11 group shall, to the extent those dividends are paid out of the earnings and profits of the unitary

13 income of the recipient.

14 “(B) Except as otherwise provided, this paragraph shall not apply to dividends
15 received from members of the unitary business that are not a part of the combined group. Except when
16 specifically required by the Chief Financial Officer to be included, all dividends paid by an insurance
17 company directly or indirectly to a corporation that is part of a unitary business with the insurance
18 company shall be deducted or eliminated from the income of the recipient of the dividend.

20 company transaction between members of the same combined group shall be deferred in a manner
21 similar to 26 C. F. R. § 1.1502-13.

22 “(B) Upon the occurrence of any of the following events, deferred business

13 extent allowable as a deduction pursuant to section 170 of the Internal Revenue Code of 1986, be
14 subtracted first from the business income of the combined group, subject to the income limitations of
15 that section applied to the entire business income of the group, and any remaining amount shall then
16 be treated as a nonbusiness expense allocable to the member that incurred the expense, subject to the
17 income limitations of that section applied to the nonbusiness income of that specific member.

18 “(B) Any charitable deduction disallowed under subparagraph (A) of this
19 paragraph, but allowed as a carryover deduction in a subsequent year, shall be treated as originally
20 incurred in the subsequent year by the same member, and the rules set forth in this section shall apply
21 in the subsequent year in determining the allowable deduction in that year.

22 “(7) Gain or loss from the sale or exchange of capital assets, property described by
23 section 1231(a)(3) of the Internal Revenue Code of 1986, and property subject to an involuntary

1 conversion shall be removed from the total separate net income of each member of a combined group
2 and shall be apportioned and allocated as follows:

3 “(A) For each class of gain or loss (short-term capital, long-term capital,
4 section 1231 of the Internal Revenue Code of 1986, and involuntary conversions) all members'
5 business gain and loss for the class shall be combined without netting between classes and each class
6 of net business gain or loss separately apportioned to each member using the member's apportionment
7 percentage determined under § 47-1810.04.

8 “(B) Each taxpayer member shall then net its apportioned business gain or loss
9 for all classes, including any such apportioned business gain and loss from other combined groups,
10 against the taxpayer member's nonbusiness gain and loss for all classes allocated to the District, using
11 the rules of sections 1222 and 1231 of the Internal Revenue Code of 1986, without regard to any of
12 the taxpayer member's gains or losses from the sale or exchange of capital assets, section 1231 of the
13 Internal Revenue Code of 1986 property, and involuntary conversions that are nonbusiness items
14 allocated to another state.

15 “(C) Any resulting District source income or loss, if the loss is not subject to
16 the limitations of section 1211 of the Internal Revenue Code of 1986, of a taxpayer member produced
17 by the application of the preceding subparagraphs shall then be applied to all other District source
18 income or loss of that member.

19 “(D) Any resulting District source loss of a member that is subject to the
20 limitations of section 1211 of the Internal Revenue Code of 1986 shall be carried over by that member
21 and shall be treated as District source short-term capital loss incurred by that member for the year for
22 which the carryover applies.

1 “(8) Any expense of one member of the unitary group that is directly or indirectly
2 attributable to the nonbusiness or exempt income of another member of the unitary group shall be
3 allocated to that other member as a corresponding nonbusiness or exempt expense, as appropriate.

4 “§ 47-1810.06. Designation of agent.

5 “As a filing convenience, and without changing the respective liability of group members,
6 members of a combined reporting group shall designate one taxpayer member of the combined group
7 to file a single return, in the form and manner prescribed by the Chief Financial Officer, in lieu of
8 filing their own respective returns; provided, that the taxpayer designated to file the single return
9 consents to act as surety with respect to the tax liability of all other taxpayers properly included in the
10 combined report and agrees to act as agent on behalf of those taxpayers for tax matters relating to the
11 combined report. If for any reason the agent is unwilling or unable to perform its responsibilities, tax
12 liability may be assessed against the taxpayer members.

13 “§ 47-1810.07. Water's-edge reporting; initiation and withdrawal election.

14 “(a)(1) Absent an election under subsection (b) of this section to report based upon a
15 worldwide unitary combined reporting basis, taxpayer members of a unitary group shall determine
16 each of their apportioned shares of the net business income or loss of the combined group on a
17 water's-edge unitary combined reporting basis.

18 “(2) In determining tax under this chapter on a water's-edge unitary combined
19 reporting basis, taxpayer members shall take into account all or a portion of the income and
20 apportionment factors of only the following members otherwise included in the combined group
21 pursuant to § 47-1805.02a:

1 as being engaged in activity sufficient for that tax haven jurisdiction to impose a tax under United
2 States constitutional standards.

3 “(ii) If the member's business activity within a tax haven is entirely
4 outside the scope of the laws, provisions, and practices that cause the jurisdiction to meet the criteria
5 of a tax haven, as that term is defined in § 47-1801.04(49), the activity of the member shall be treated
6 as not having been conducted in a tax haven.

7 “(b) An election to report District tax based on worldwide unitary combined reporting is
8 effective only if made on a timely filed original return for a tax year by every member of the unitary
9 business subject to tax under this chapter.

10 “(c) At the discretion of the Chief Financial Officer:

11 “(1) A worldwide unitary combined reporting election may be disregarded, in part or
12 in whole, and the income and apportionment factors of any member of the taxpayer's unitary group
13 may be included in or excluded from the combined report without regard to the provisions of this
14 section, if any member of the unitary group fails to comply with any provision of this chapter; and

15 “(2) Worldwide unitary combined reporting may be mandated, in part or in whole, and
16 the income and apportionment factors of any member of the taxpayer's unitary group may be included
17 in or excluded from the combined report without regard to the provisions of this section, if any
18 member of the unitary group fails to comply with any provision of this chapter, or if a person
19 otherwise not included in the water's-edge combined group was availed of with a substantial objective
20 of avoiding District income tax.

21 “(d)(1) A worldwide unitary combined reporting election is binding for and applicable to the
22 tax year it is made and all tax years thereafter for a period of 10 years. It may be withdrawn or
23 reinstated after withdrawal, before the expiration of the 10-year period, only upon written request for

1 reasonable cause based on extraordinary hardship due to unforeseen changes in District tax statutes,
2 law, or policy, and only with the written authorization of the Chief Financial Officer.

3 “(2) An election shall constitute consent to the reasonable production of documents
4 and taking of depositions in accordance with District law.

5 “(3) If the Chief Financial Officer grants a withdrawal of election pursuant to
6 paragraph (1) of this subsection, he or she shall impose reasonable conditions necessary to prevent the
7 evasion of tax or to clearly reflect income for the election period before or after the withdrawal.

8 “(4) Upon the expiration of the 10-year period, a taxpayer may withdraw from the
9 worldwide unitary combined reporting election. Withdrawal must be made in writing within one year
10 of the expiration of the election and is binding for a period of 10 years, subject to the same conditions
11 as applied to the original election.

12 “(e) The Chief Financial Officer shall develop rules governing the impact, if any, on the scope
13 or application of a worldwide unitary combined reporting election, including termination or deemed
14 election, resulting from a change in the composition of the unitary group, the combined group, the
15 taxpayer members, and any other similar change.

16 “§ 47-1810.08. Accounting rules; future deductions.

17 “(a) If the enactment of combined reporting requirements for unitary businesses results in an
18 increase to a combined group’s net deferred tax liability, the combined group shall be entitled to a
19 deduction to the extent determined under subsection (b) of this section. Only publicly traded
20 companies, including affiliated corporations participating in the filing of a publicly traded company’s
21 financial statements prepared in accordance with generally accepted accounting principles, as of
22 September 14, 2011 shall be eligible for this deduction. To the extent the deduction would produce a

1 net operating loss in any tax year, the unused deduction may be carried forward to each succeeding tax
2 year by the combined group.

3 “(b) For the 7-year period beginning with the 5th year of the combined filing, a combined
4 group shall be entitled to a deduction equal to 1/7th of the net increase in the taxable temporary
5 differences that caused the increase in the net deferred tax liability, as computed at the time of
6 enactment in accordance with generally accepted accounting principles, that would result from the
7 imposition of the combined reporting requirements but for the deduction provided under this section.
8 The amount of the deduction shall in no case exceed the amount necessary to offset any increase in net
9 deferred tax liability, as computed in accordance with generally accepted accounting principles, that
10 would result from the imposition of all of the provisions of combined reporting but for the deduction
11 provided under this section.

12 “(c) For the purposes of this section, the term “net deferred tax liability” shall mean the net
13 increase, if any, in deferred tax liabilities minus the net increase, if any, in deferred tax assets of the
14 combined group, as computed in accordance with generally accepted accounting principles.”
