WASHINGTON, DC BICYCLE MAP

FROM THE MAYOR:

Dear Friends,

Bicycling is a great way to get around the District of Columbia. It can save time and money, keep you in shape, and help reduce congestion and pollution.

We are working hard to make Washington one of the most bike-friendly cities in the country. We have more than 100 miles of bike lanes and trails; Capital Bikeshare is the country's largest bikesharing system; we are currently building and improving major trails along the Anacostia River, Oxon Run, Rock Creek and the Metropolitan Branch corridor; we just all together to make Washington a better place to live and work.
