

WHAT TO DO IN CASE OF A BIKE CRASH

If you're hurt in a traffic crash, don't ride away or shake off what seems like a minor injury—you might find later that it's worse than you thought. Instead:

- Call the police (911 or 311 or #77). If needed, get medical help immediately.
- Get the following information from every vehicle: driver's name, address, phone number, driver's license number, license plate number, make of car, insurance company name and policy number.
- Get the names and phone numbers of witnesses. Get the name and badge number of the police officer
- Get the police report number from police on the scene.
- Write down how the crash happened while it's fresh in your memory.
- Keep (or photograph) any damaged clothes or equipment.

Also, if you're a victim:

- Don't get mad at the scene. Keep a level head so you can ask questions and take notes.
- If injured, don't move unless you're sure you won't hurt yourself more.

Call WABA at **202-518-0524** if you need further assistance.
